PRESENT A USER CASE STUDY

We are excited to bring back user case studies! Customers and exhibiting companies will share their case studies during the HYPACK 2025 Training Event. Users will share their experiences and success stories with attendees in these sessions, giving an in-depth look into real world projects. Hear firsthand how our software helps these companies' projects successful and efficient. Are you interested in presenting a case study? Fill out the form [HERE!](#)

ICE BREAKER/RECEPTION

Join us for our Ice Breaker event during event check-in on Monday, January 6, 2025, from 5:00pm - 6:00pm. We will also provide our HYPACK Reception on Tuesday, January 7, 2025, from 6:00pm – 7:00pm.

TRAINING SESSIONS

Training is essential in keeping up to date with the latest changes in the industry. This three-day event runs from Tuesday, January 7, 2025, through Thursday, January 9, 2025, and will provide you with the tools needed to perform your job efficiently. We will have three different rooms running at the same time with new content for novice and experienced users. These sessions will run from 9:00am - 4:30pm. The new HYPACK 2025 schedule will be updated closer to the training event. [VIEW LAST YEAR'S SCHEDULE!](#)

EXHIBIT HALL

Meet exhibitors from the industry's leading companies and learn about their products and services! Our exhibit hall will be open from 8:00am – 5:00pm for attendees to network with the exhibitors before, during, and after training sessions. Get the interaction and networking you have missed for over a year!
