

STANDARD XCHANGE QUICK SHIP PROGRAM

MADE IN AMERICA. MADE TO SHIP QUICKLY.

Don't wait longer for an inferior heat exchanger from someone else. Order your genuine Standard Xchange heat exchanger this morning* and it will ship tonight.

Products Offered:

- Plateflow Complete Unit
- Plateflow Plate & Gasket Assemblies
- Plateflow Gaskets Only
- Small Cooler
- U-Tube Complete Unit
- U-Tube Replacement Tube Bundle

Advantages

- Industry-leading program scope
- Wide variety of configurations and materials
- Shipping as quick as same-day
- Minimize/avoid downtime
- Speed with quality

Standard Xchange has been developing heat transfer solutions for more than 100 years, for just about every industry. Today, we offer the broadest range of products available anywhere. And we're ready to share the benefits of those years of research, design capability, and experience in heat transfer in developing the best solutions for your applications.

There is nothing worse than downtime. Don't put your entire operation at risk. Get the heat exchanger you need to stay up and running as quickly as possible.

Ready To Get Started?

Contact your local Standard Xchange representative now and we'll do what it takes to get you back in business right away.

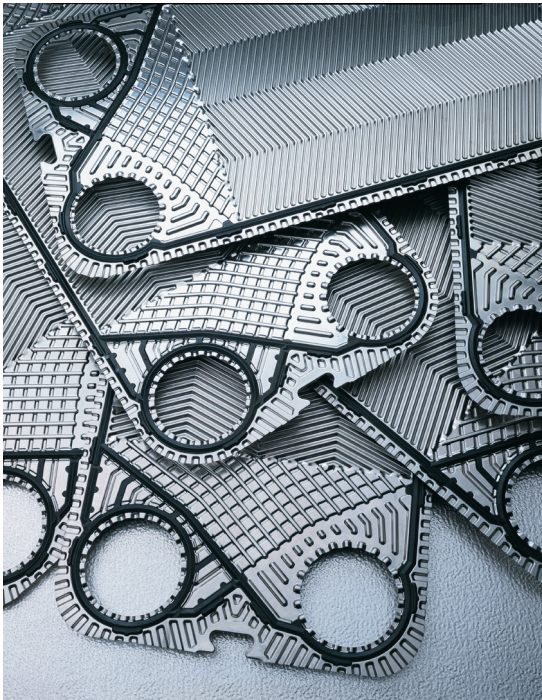

*Order must be received by 10:00 AM ET. Some restrictions may apply. Prices and other data are subject to change without notice. Subject to material availability.
